[1] Every declaration of conformity should be uniquely identified.

[2] The responsible issuer must be unequivocally specified.

[3] The "Article" must be unequivocally described so that the declaration of conformity may be related to the article in question. For mass-produced products, it is not necessary to give individual serial numbers. Where variants of an article are to be covered, these must be detailed.

[4] Text should appear here only if any limitation on the validity of the declaration of conformity and/or any additional information are given.

[5] Full name and function of the signing person(s) authorised by the issuer's management to sign on its behalf should be given. The number of signatures, or equivalent, included will be the minimum determined by the legal form of the issuer's organization.
